To,
Respected Sir,

Greetings from the Chetna Foundation!!!

We are immensely pleased to inform you that the Chetna Foundation is organizing the 4th Indian Neuro Rehabilitation Conference of Occupational Therapy on the 19th & 20th of September 2026 in New Delhi, India.

WHY US?

The Chetna Foundation (Registered under Indian Trust Act), established eight years ago and as a self-funded organization, is dedicated to raising awareness and offering support around autism spectrum disorder (ASD). Children with other developmental disorder and Neurorehabilitation. Driven by a passion for service, our core mission is to educate the public and enhance understanding of ASD, while providing essential services to those affected. As an organization, we host national-level events aimed at promoting awareness, where participants are encouraged and recognized for their involvement through tokens of appreciation. These events serve as valuable learning experiences, particularly for the emerging generation of occupational therapists who benefit greatly from the expertise of seasoned professionals.

Our upcoming event, the 34th Indian Neurorehabilitation Conference of Occupational Therapy (INCOT 2025), is designed with this focus in mind. Themed around the integral role of Occupational therapy in Neurorehabilitation, the conference aims to bring together leading experts and professionals to share insights, foster collaboration, and drive innovation in the field. At the Chetna Foundation, we believe that through continued education, collaboration, and awareness, we can make a meaningful impact on the lives of those affected by ASD and contribute to a more inclusive and informed society.

- We uphold connections across the nation. We cater therapists from the entire states and cities in India.
- This can help foster a wide range of business opportunities.
- Our Conference is a platform to build connections with the professionals and channelize your business through stalls, paper presentations, posters, standees, etc.
- We assure lifetime bond with mutual benefits.

Together We can and We will make a Difference!
